## Class Of the Week

## Ashley Action!

**8FL and KS3 Base** took part in an overnight camp in school. Students spent the night camping indoors as part of their Halton Mayor's Award.

**Year 7** in association with The Heart Foundation have been learning CPR every Friday afternoon for the last few months.

**This week, Ashley High School** have been taking part in this National Campaign. The focus this year is food waste and food packaging. Information cards were placed around the school and students were encouraged to read and record the information. One lucky student won a prize for finding the most facts!

**An excellent achievement - well done!** to our school on winning the NAS national award for Inspirational Education Provision: Schools. This is a fantastic achievement and recognises the excellent education and provision that Ashley High provides for our young people.

## And Finally...

Don't forget to look at the school's Website and Twitter page to keep up to date with everything happening at Ashley High School
