Ashley Action!

Year 12 delivered a superb assembly about reducing our energy use across the school and making sure we recycle correctly. This is part of their Asdan Environmental award.

8FL have been enjoying coastal school sessions, where they learn about the importance of looking after the coastal environment as well as developing their teambuilding skills.

Well done to the winner of our Waste Week competition.

Long Loaf Charity- On Saturday Rebecca Sewell in Year 13 worked for 12 hours (Tombola Stall) and raised £392.98. The charity feeds the homeless a 2 course meal every Wednesday in the centre at the back of St Pauls Church. Well done Rebecca!

And Finally...

If your child requires medication in school or on an out of school visit, their medication must be brought in to school in its original packaging with the pharmacy label and leaflet enclosed. The relevant forms to administer medication must be filled in. this is a requirement in all schools. Students will not be allowed out on school visits without this.
