## Ashley Action!

**Congratulations to our Year 8 winner** of the Attendance Prize! Hope you have fun with your purchased items!

**As part of** their ASDAN Environmental Project, Year 12 have visited Runcorn Hill this week exploring the facilities the park offers. As an added bonus they joined in a Forest School session where they practised their team building skills - making knots, helping to build a camp fire and tasting smores and hot chocolate!

**On Monday 23<sup>rd</sup> April** 8FL spent the day exploring the nature reserve at Fiddlers Ferry. Some of the activities included building shelters, pond dipping, food chains and habitats.

**As part of their COPE Citizenship & Community Project**, our Year 12 students have planned a series of fundraising events in order to raise funds for Cancer Research UK and Macmillan Cancer Support. The first part of this took place on Tuesday 17th April with a hugely successful film afternoon for all students held in our Enterprise Zone. We will keep you up-to-date on other events.

## And Finally...
